

Kettneraspis? prescheri van Viersen & Hessing, 2015 (TH132)

Kettneraspis? → Odontopleurida → Odontopleurina → Odontopleuroida → Odontopleuridae

Provenance : Morocco; Alnif area, Djebel Issoumour

Formation : Fm

Age : Lower Devonian

Details : Was sold to me as a *Kettneraspis* (*Leonaspis*) sp. Formerly known as “Stovepipe” *Leonaspis*. With hollow “spine” on the occipital ring, and some nicely prepped holochroal eyes (which regrettably you cannot make out o the detail photo at the bottom, because at that level of macro photography, the image is rather subject to the tiniest movement of the camera)

Bought on : 10/05/2015

Bought at : Antwerp Expo

Event : Minerant 2015
