

***Eoampyxinella* sp.** (TH233)

Eoampyxinella → Trinucleida → Trinucleina → Trinucleoidea → Raphiophoridae

Provenance : France, Montagne Noire, Saint-Chinian

Formation : ?St.-Chinian Fm

Age : Ordovician, Arenig

Details : Complete (slightly disarticulated) specimen, prepped by Laurent Lacombe. May very well be *Ampyxinella* (*Eoampyxinella*) *villebruni* (Thoral, 1935), which is known from the formation in question.
