

***Marrolithus* cf. *bureaui*** (Oehlert, 1895) → ***M. favus favus*** Salter, 1847 (TH196)

***Marrolithus*** → Trinucleida → Trinucleina → Trinucleoidea → Trinucleidae

**Provenance** : Morocco; "Djebel Ougnat" (more probably El Kaid Errami or Bou Nemrou)

**Formation** : ?Ktaoua Fm

**Age** : Upper Ordovician

**Details** : Slightly damaged but complete specimen. Obviously, the specimen was unevenly extracted with small parts remaining in the counterpart, from which they were taken to be glued back in place (hence the fissures). Name change above on the advice of Hervé Toubanc.

**Bought on** : 08/05/2016

**Bought at** : Heverlee

**Event** : Non-fair purchase
