

***Akatharges mbareki*** Corbacho & López-Soriano, 2013 (TH137)

*Akantharges* → Lichida → Lichina → Lichoidea → Lichidae → Trochurinae

**Provenance** : Morocco; "Tinejdad"

**Formation** : ?

**Age** : Middle Devonian, Eifelian

**Details** : Complete specimen prepped in "free flying" style – at the time of purchase I became one of 10 first to have a specimen in my collection (paid it quite more than what a specimen would go for only a year later too).

**Bought on** : 05/07/2015

**Bought at** : Comblain-au-Pont

**Event** : Non-fair purchase
